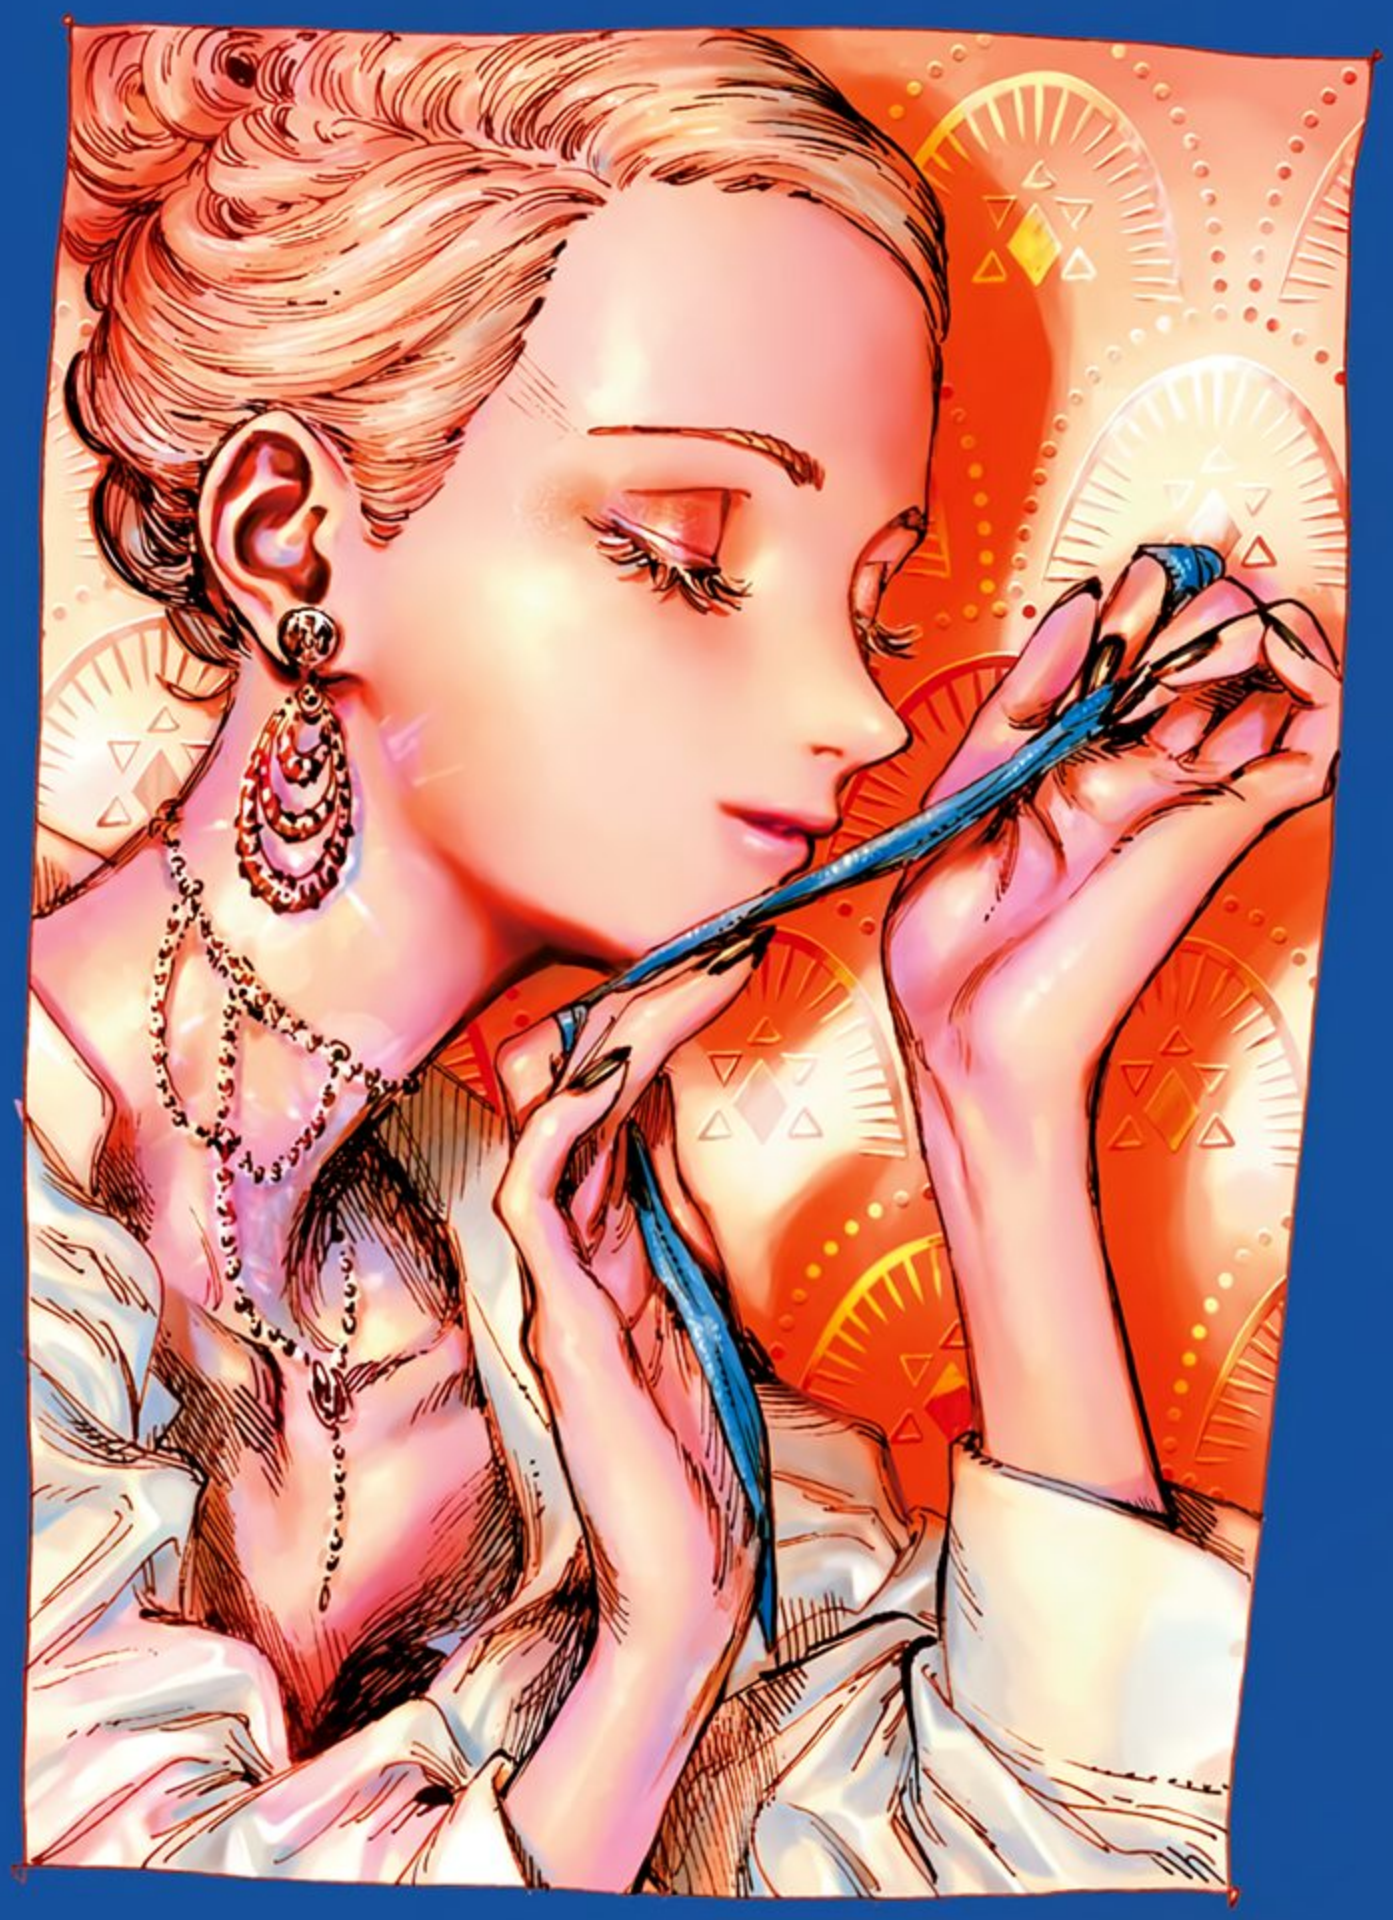
SCENE. 32



Unravelling string

Huh?

Hmmm...

A book-mark?

I left it right here, between these pages...

My bookmark disap-peared...

Like an old drier's receipt...

What does it look like?

is it impor-tant?

He must have been tired of working and skipped town...

キィ

Ah, of course!

Just a minute...

トコ トコ

...but it was useful to *me*.

It was useless as a *receipt*...

I have the perfect bookmark...

Believe it or not...

カサ

Whoa!

Careful...

What's gotten into you...?

Ouch!

ドカッ

...!

Well... Stick it where you hit your foot just now so you don't forget...

ゴソ

Ah-ta-ta!

Don't touch!

Oho...

The treasure box? Lemme see...

Here.

Your new bookmark friend.

Thanks.

サッ

It smells so nice!

There's also a ribbon.

It's a testing strip.

It's scented?

Yes.

I do.

Do you not want it?

Are you sure I can have this?

...

Thanks!

Ahaaa!

Go right ahead.

...

Is it more precious than a queen's crown?

Oh, yes. Definitely.

If it was **yours**, you'd be free to **lose** it.

I'm **lending** it to you.

It means a lot to me.

Huh?

Oh...

I haven't **given** it to you, just so you know...

I'll have to deliver it back in a case...

Hmmm...

Then...

Ah...

I'll be borrowing it, then.

Pft...

Uhfu-fufu...

...

Hmfu-fufu...

But really...

I said all of that rubbish,

...It's just a piece of paper with perfume on it...

Hm-fufu...

Heheh...

Stop iiit!

Stooop!

It's just a piece of paper, but you keep it in your treasure box, hmmm...?

I don't buy that for a second.

Getting to hold such a pleasing scent in its arms...

My book'll be pleased.
